### **Job Description Acknowledgement – Environmental Coordinator**

I have reviewed the job description and I understand all my job duties and responsibilities. I am able to perform the essential functions that include physical & environmental requirements as outlined in the above job description. I understand that my job may change on a temporary or regular basis according to the needs of my department without it being specifically included in the job description. If I have any questions about job duties not specified on this description, that I am asked to perform, I should discuss them with my immediate supervisor or the Human Resource Manager.
