## 5. Technical Services

Anchorage Sand & Gravel, Inc. maintains technical field representatives throughout Alaska. Contact a local distributor for the name and number for the nearest representatives or call AS&G.

## 6. Advantages

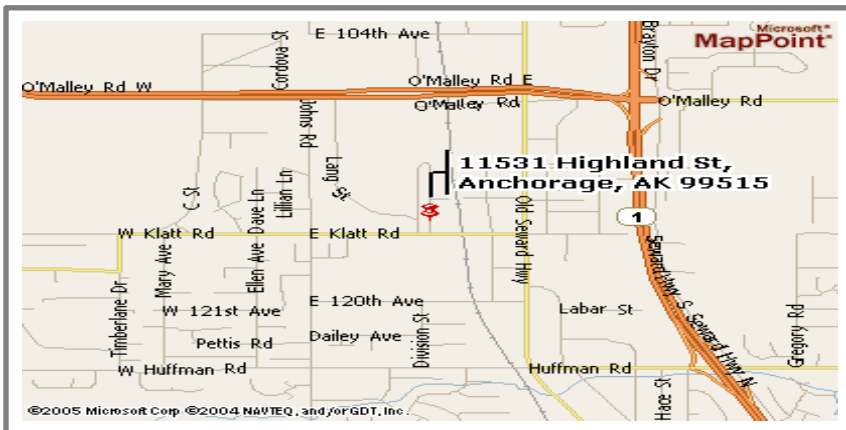

Traction Sand has several advantages which include:

- Provides economical protection against slips and falls by providing instant traction.
- Does not contain salt or chemicals. Ideal for use on concrete & asphalt pavements.
- Excellent for providing extra weight in vehicles as well as non-slip traction.
- Backed by Quality Control Testing.

## 7. Limited Warranty

Packager, having no control over the use of the material, does not guarantee finished work. Replacement of any defective product or refund of the purchase price of defective product shall be the buyer's sole remedy under this warranty.

This limited warranty excludes any liability for any consequential, incidental, indirect or special damages. Except for the limited warranty made above, packager specifically disclaims and excludes any other express warranty, any implied warranty of merchantability of goods and any implied warranty of fitness of goods for any particular purpose.
